2014

Welcome to another trip around the sun with Wallaroo! On our journey, we will continue to bring you the highest standards of quality and value, as well as our ongoing commitment to sun protection. For 2014, we have upped the ante with new styles and a bounty of color! You'll see timeless classic shapes with some new twists, all constructed to last a lifetime. Here at Wallaroo, we make sure we can be with you for the whole ride.

BEAT THE RAYS WITH UPF 50+

Look for our sun icon throughout the catalog to determine which hats are UPF 50+. These fabrics are tested by the Australian Radiation Protection Agency and block 97.5% of the sun's ultraviolet rays. Ultraviolet radiation, or UV, is present in sunlight. The Ultraviolet Protection Factor (UPF) shows how well a fabric protects your skin from solar UV. But remember, a Wallaroo hat only protects the skin it covers. Safeguard the rest of your body by wearing sunglasses and sunscreen.

WALLAROO SUN PROTECTION COMMITMENT

Wallaroo Hat Company is committed to the elimination of skin cancer. The Wallaroo Sun Protection Commitment is a promise that each year, we will donate 1% of our profits to skin cancer research, education and prevention in the United States.

THE "HEADS UP" ON OUR FABRICS

Here's a brief description of the tried and true Wallaroo fabrics. To care for these fabrics, please see individual care instructions. Never use Woolite® or bleach and do not dry clean.

Paper Braid: A 50% polyester, 50% paper braid sewn together in multiple layers. Packable, crushable and lightweight.

Raffia: A natural palm leaf fiber grown on the island of Madagascar. Hand woven. Do not wash.

Poly-Ribbon: A 100% polyester ribbon sewn together in multiple layers. Packable, crushable and lightweight.

Poly-Propylene Braid: The look of straw in a breathable, polyester-propylene braid.

Poly-Straw & Poly-Braid: The look of straw in a breathable, crushable polyester knit or braid.

Microfiber: A synthetic, lightweight, 100% polyester fabric. Water repellent and quick-drying.

Bamboo: An extremely soft and durable fabric. Naturally moisture-wicking, odor-resistant and breathable.

Cover: The Stella hat in natural/gold (see page 17).

The cotton Basic Long scarf in black with white piping.

NEW!

Basic Long – 8200

For the most styling options, the Basic Long lets you tie the scarf yourself. First, the two long ends can be tied in the back or on the side. Then you can try knotting them, tying them in a bow, or tucking them in for a chic chignon look. Choose from ten colors in two fabric options: cotton for comfort and structure, or bamboo – ultra-soft and moisture-wicking. Handwash cold. **Cotton: 8200-COT-30; Crinkled Cotton: 8200-CCOT-30; Bamboo: 8200-BAM-35. Available now.**
